

FOR THOSE ABOUT TO **ROCK**

WE HAVE AN EXPERIENCE FOR YOU!

Is there a special song that
when you hear it brings
back a timeless memory

or maybe you
know someone
with a passion for
rock that deserves a
unique musical gift.

If you
have ever
dreamed
about recording
your favourite songs
in a state-of-the-art
recording studio with
professional musicians then...

A DAY IN THE LIFE....
Can make that dream come true

Base package includes:

- A full day in a professional recording studio experiencing the recording process
- Hanging with professional musicians with a strong Canadian pedigree who will amaze you with their stories and history
- All equipment required
- A professionally produced and packaged CD with liner notes detailing the musicians who participated in the experience
- Food and beverage

Extras:

- Additional tracks
- Participation by specific Toronto based musicians (if possible)
- Professional photography of the day's events
- Video highlights of the recording session

A DAY IN THE LIFE....
